EXPLANATION OF RESOLUTIONS

RESOLUTION 1 – TO APPROVE THE TERMS OF EMPLOYMENT OF MR. SAMI TOTAH, WHO CURRENTLY SERVES AS CHAIRMAN OF THE BOARD OF DIRECTORS AND AS INTERIM CEO

Mr. Totah serves as the Company's chairman of the board of directors since June 2018. In addition, on May 28, 2019 he assumed the position of the CEO, after such nomination was approved by the Company's general meeting.

Mr. Totah has extensive commercial and managerial experience and in-depth acquaintance with the various aspects of the businesses of the Company and the subsidiaries. He is a seasoned executive with over 25 years of international management leadership in the IT industry.

Mr. Totah is a General Partner at Viola Growth. He has extensive knowledge and execution experience in overseeing very large IT projects, and has built an extensive global network with customers, partners, investors and executives. He is a former Senior Vice President of Operation (COO) at Amdocs (NYSE: DOX), Israel’s largest software company. He has extensive global experience in leading and serving tier-one telecom giants such as Vodafone (Germany), T-Mobile US, Tele Denmark (TDC) and KT FreeTel (Korea). He has served as an active chairman in several leading start-up companies in the telecommunication arena, such as Sheer Networks, which was sold to Cisco for $123 million, and Flash Networks and as a board of directors member in ECTel (NASDAQ: ECTX) and Pilat Media (AIM: PGB).

As of his nomination as chairman of the board on June 2018, Mr. Totah did not receive any compensation for his services. It is proposed to grant Mr. Totah a fixed monthly fee in the amount of NIS 40,000 (plus VAT) (equal to a sum of approx. $11,100) for his services as chairman of the board of directors, effective as of January 1, 2019.

According to the Company's Remuneration Policy (that was approved by the general meeting on August 29, 2019) (the "Remuneration Policy"), the Company may pay the chairman of the board of directors a fixed monthly remuneration in gross amount of up to NIS 50,000. The proposed conditions of compensation are in accord with the Company’s Remuneration Policy.

When considering the proposed terms of service, the remuneration committee and the board of directors considered numerous factors, including the Company's Remuneration Policy and relevant benchmark.

The proposed terms of service of Mr. Totah were approved by the Company's remuneration committee and the board of directors, taking into account Mr. Totah's qualifications and his professional, commercial and administrative experience. In the assessment of the remuneration committee and the board of directors and in light of the board members’ acquaintance with Mr. Totah, the conditions of his compensation accord with his professional capabilities and with the considerable knowledge and unique experience that he has accrued with regard to the Company and its subsidiaries, and the value of all of such for the success of the Company, especially in the challenging times and in light of the comprehensive changes to the Company's management team in the recent year. Mr. Totah had a crucial part in Company's negotiations process and execution of the transaction with the purchaser for the sale to Team Internet AG (for further information about
the transaction see the Company's announcements from September 8, September 19, October 16, October 31, November 15, 2019 and December 24, 2019 (RNS 5800L, RNS 0373N, RNS 2668Q, RNS 8566R and RNS 6530T and RNS 9519X, respectively) (the "Transaction"), its creditors, bondholders and partners, which are of considerable value for the achievement of the Company’s goals and challenges and interests.

**Proposed Resolution:**

To grant Mr. Totah a fixed monthly fee in the amount of NIS 40,000 (plus VAT) (equal to a sum of approx. $11,100) for his services as chairman of the board of directors, effective as of January 1, 2019.
RESOLUTION 2 –TO APPROVE THE TERMS OF SERVICE OF MR. ILAN TAMIR, THE COMPANY’S CFO AND COO

Mr. Tamir served as the Company's interim CFO as of November 1st 2018. As of March 2019 Mr. Tamir serves as Company CFO and COO. Before that, Mr. Tamir rendered services to the Company as an independent contractor.

In the last 20 years Mr. Tamir served as a CFO and COO with multi-industry experience in strengthening and leading the corporate finance function for both high-growth start-ups and venture capital funds. Mr. Tamir has an M&A track record including negotiations, due diligence and legal closing documents, skilled in Entrepreneurship, Financial and Operational Management.

Mr. Tamir is an engineer by education and CFO by experience. Mr. Tamir has graduated from the Technion, and has an MBA from Tel-Aviv University.

On June and December 2019 the remuneration committee and the board of directors approved the compensation terms of Mr. Tamir.

In accordance with the Israeli Companies Law, compensation terms of a non-CEO officer, in a publically traded company, which are in accordance with the company’s remuneration policy, require approval by the remuneration committee and the board of directors. However, since Mr. Tamir's employment terms include special bonuses, as detailed below, that deviate from the term of the Company's Remuneration Policy, they will also require the approval of the general meeting by a special majority.

Mr. Tamir’s employment terms include the following special bonuses (the "Special Bonuses"):

1. Upon the sale of the Team Internet AG or the Sale of the Company, Mr. Tamir shall be entitled to a one-time bonus in the amount of NIS 180,000 gross, which will be paid 10 days following the closing date of such transaction.

2. To the extent that "distribution(s)"*, as such term is defined in the Israeli Companies Law, will be made by the Company and such distribution(s) shall exceed (accumulatively) a sum of US $0.035 per Company share, Mr. Tamir shall be entitled to a one-time bonus that will be calculated as follows1: (a) 1,500,000 multiplied by (b) the difference between (i) the actual distributed dividend(s) per share and (ii) US $0.035.

Illustrative Examples:
(a) Assuming the Company will distribute (accumulatively) US$0.1 per share, Mr. Tamir shall be entitled to a bonus of $97,500 = (1,500,000 * (0.1 – 0.035))
(b) Assuming the Company will distribute (accumulatively) US$0.035 (or less), Mr. Tamir shall not be entitled to any bonus.

* Mr. Tamir shall be entitled to the bonus detailed above for every distribution(s) that will be executed during his employment period and until the lapse of 12 months following the expiration of the employment period (except for termination by the Company for a cause).

1 Subject to any adjustment made to the share capital of the Company by way of share split, reverse share split, consolidation, restructuring of share capital or similar recapitalization events.
The proposed terms of service of Mr. Tamir were approved by the Company's remuneration committee and the board of directors, taking into account the board members familiarity with Mr. Tamir and that Mr. Tamir's compensation terms are commensurate with his professional qualifications and abilities, as these have been demonstrated in his work and in his contribution to the Company’s operations. In addition, the terms of employment are reasonable since they properly reflect Mr. Tamir's scope and area of responsibility, especially in light of the challenging circumstances of the Company and in light of the comprehensive reduced management team that added managerial challenges in the transitional period in the last year.

The remuneration committee and the board of directors also considered that Mr. Tamir had a crucial part in Company's negotiations process and in the execution of the Transaction with the purchaser of Team Internet, the Company's creditors, bondholders and partners, especially in the challenging times and in light of the comprehensive changes to the Company's management team in the recent year.

The Special Bonuses are a reasonable reward to Mr. Tamir on the completion of the Transaction for the sale of Team Internet, which was in the best interest of the Company, in a short period of time and on the best terms for the Company. Therefore, the remuneration committee and the board of directors were of the opinion that the terms of service of Mr. Tamir, are reasonable and suitable and it reflect his efforts and hard work.

Mr. Tamir’s entitlement to the Special Bonuses was and is subject to defined challenging milestone which were and are directly linked to his performance. Such mile stones were and are aligned with the Company's business goals and interests, as well as its shareholders interests. Therefore, the special bonuses are reasonable and fitting.

**Proposed Resolution**

To approve the grant of the Special Bonuses to Mr. Ilan Tamir, as detailed above.
RESOLUTION 3 – TO APPROVE A BONUS AND THE AMENDMENT TO THE TERMS OF SERVICE OF MR. LIAM GALIN, THE COMPANY'S FORMER CEO

Liam Galin succeeded Sagi Niri as President and CEO in 2018. On March 6, 2019, Mr. Liam Galin resigned from the position as the Company’s Chief Executive Officer, inter alia, because Matomy was in the final stages of its debt restructuring, following which Matomy planned to focus on its Germany based Domain Monetization activity, while streamlining its management and corporate overheads to fit its new structure and direction.

Mr. Galin's term of service were approved by the remuneration committee and the board of directors on September 2018, however, they were not brought to the approval of the general meeting.²

The terms of his service included an equity based remuneration equal to 3% of the Company's issued and outstanding share capital on the date of the grant (the "Equity Compensation").

Since the Equity Compensation wasn't allocated to Mr. Galin³, it is suggested to approve the following amendment in lieu of the Equity Compensation (the "Bonus"): "To the extent that "distribution(s)"*, as such term is defined in the Israeli Companies Law, will be made by the Company and such distribution(s) shall exceed (accumulatively) a sum of US $0.035 per Company share, Mr. Galin shall be entitled to a one-time bonus that will be calculated as follows:⁴ (a) 1,500,000 multiplied by (b) the difference between (i) the actual distributed dividend/s per share and (ii) US $0.035.

Illustrative Examples:

(a) Assuming the Company will distribute (accumulatively) US$0.1 per share, Mr. Galin shall be entitled to a bonus of $97,500 = (1,500,000 * (0.1 – 0.035)).
(b) Assuming the Company will distribute (accumulatively) US$0.035 (or less), Mr. Galin shall not be entitled to any bonus.

* Mr. Galin shall be entitled to the Bonus detailed above for every distribution(s) that will be executed within a period of 12 months following the expiration of the employment period (i.e. July 15, 2019).

The Bonus detailed above shall replace the Equity Compensation and will be subject to Mr. Galin’s waiver of the Equity Compensation and a sum equal to 4.5 monthly salaries for an

² Mr. Galin's terms of service were within the range of previous CEO's of the Company, other than the equity award and the adjustment payment, as detailed above.
³ If such Equity Compensation would have been allocated, than 50% have been vested until the end of Mr. Galin's notice period and the rest would have been expired.
⁴ Subject to any adjustment made to the share capital of the Company by way of share split, reverse share split, consolidation, restructuring of share capital or similar recapitalization events.
adjustment payment that Mr. Galin claims to be entitled to receive, and any claim with regard to such compensations (the "Waiver").

Since Mr. Galin is a former CEO, according the Israeli Companies Law, the suggested amendment is subject to the approval of the remuneration committee, the board of directors and the general meeting by a special majority.

The remuneration committee and the board of directors have approved the amendment to Mr. Galin's terms of service to be reasonable in the circumstances, as detailed above.

Proposed Resolution
To approve the Bonus and the amendment to the terms of service of Mr. Liam Galin, as set forth above and subject to the Waiver as detailed above.
RESOLUTIONS 4-6: The Company adopted a special bonus plan for former employees and three senior officers in connection with the sale of the Mobfox business Unit (“Mobfox”), as was announced by the Company on November 15, 2018 (RNS Number: 5120H), which consists of (i) a cash bonus (the “Cash Payments”); and (ii) a grant of Restricted Share Units (the “RSU”) on a fully vested basis or acceleration of existing RSU's (the Cash Payment and the RSUs together: the "Special Bonus"). The Special Bonus was intended, inter alia, to encourage retention of transferred employees and senior executives which were required at the time, to assist and support the transition of Mobfox and its related technological and business platforms to the purchaser and incentivize certain key managers in connection with such sale.

The Special Bonus was approved by the remuneration committee and the board of directors. When considering the proposed Special Bonuses, the remuneration committee and the board of directors considered numerous factors, including the fact that the senior executives assisted in such a purpose and eased the transition period and the completion of the sale transaction. The Special Bonus aligned with the Company's strategy and work plans to exit all of its data-driven advertising platforms with the exception of Team Internet, therefore, they've promoted the Company's objectives.

For information regarding the senior executive's remuneration in 2018, see the Company's Annual Report for the year ending on December 31, 2018. The annual report may be viewed on the Company's investor website at: http://investors.matomy.com.

When considering the proposed Special Bonus and the Additional Bonus (as such term is defined below) to Mrs. Farage, the remuneration committee and the board of directors considered, in addition to the above, that Mrs. Farage was a key executive and has an in-depth acquaintance with the various aspects of the businesses of the Company and its subsidiaries. Mrs. Farage held considerable knowledge and unique experience that she has accrued with regard to the Company and its business, which was valuable for the success of the Company in the transition period, especially in the challenging circumstances of such period and in light of the comprehensive changes to the Company's management team in recent year. Therefore, the Additional Bonus (as such term is defined herein) is reasonable in these circumstances, taking into account the intensive work and significant contribution of Mrs. Farage during the last year, in a challenging circumstances. Mrs. Farage's entitlement to the Additional Bonus was subject to defined milestones, which was aligned with the Company’s business goals and interests, as well as its shareholders interests.

The vote at the Meeting shall be carried out by the TASE Clearing House. The TASE Member shall direct the TASE Clearing House on how to vote the shares held by it, according to the TASE Clearing House by-laws, and submit to the TASE Clearing House a summary of the final results of all the proxies received by it and which it requests the TASE Clearing House to vote in its name, including the information required in the Form of Proxy regarding personal interests of the shareholders, if they are senior officers in the Company or controlling shareholders in the Company or a foreign institutional client, joint investment fund manager or trust fund, by no later than 14:00 (Tel Aviv time) on Tuesday, January 28, 2020. A shareholder whose Ordinary Shares are registered with a TASE Member and are not registered on the Company’s shareholder register is entitled to receive from the TASE Member who holds the Ordinary Shares on the shareholder’s behalf, by e-mail, for no charge, a link to the text of the Form of Proxy and to the position statements posted on the Israel Securities Authority website unless the shareholder has notified that he or she is not so interested; provided, that the notice was provided with respect to a particular securities account, prior to the Record Date. Beneficial owners who hold ordinary shares through TASE Members, or the TASE, may attend at the Meeting, by presenting a certificate signed by the TASE Member through which the shares are held, which complies with the Israel Companies Regulations (Proof of Ownership for Voting in General Meetings)-2000 as proof of ownership of the shares, or they may send such certificate to the Company's Registered Office prior to the Meeting. However, beneficial owners who hold ordinary shares through TASE Members will not be able to vote at the Meeting in person and will have to follow the voting instructions detailed in this section (e) above and in the Form of Proxy.

If you are a holder of Depositary Interests representing Ordinary shares admitted to trading on the London Stock Exchange, please complete and return the Form of Direction (in accordance with the instructions set out in that document) such that the Depositary (Link Market Services Trustees Limited, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU, United Kingdom, CAGtrustees@linkgroup.co.uk) receives it no later than 08:00
(London time) on Thursday January 30, 2020. Holders of Depositary Interests cannot vote in person at the Meeting; therefore, please ensure that the Depositary receives your vote by this deadline.

(g) Depositary Interest holders wishing to attend the meeting should contact the Depositary (Link Market Services Trustees Limited. The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU, United Kingdom, CAGtrustees@linkgroup.co.uk) no later than 08:00 (London time) on Thursday January 30, 2020 to request a letter of representation. However, Depositary Interest holders will not be able to vote at the Meeting.

(h) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

(i) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to an instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer’s agent ID (RA10) by 08:00 (London time) on Thursday January 30, 2020. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

(j) CREST members and, where applicable, their CREST sponsors or voting service providers, should note that CREST does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

(k) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

(l) Joint holders of shares should note that, pursuant to our Articles of Association in the case of joint shareholders, the vote of the senior-most of such shareholders who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint shareholders, and for this purpose seniority will be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.

7. These procedures are subject to the provisions of the UK Uncertificated Securities Regulations 2001, and in the event of conflict with any other provisions, those set out in the UK Uncertificated Securities Regulations 2001 will prevail.
8. As of September 30, 2019 (being the last practicable date prior to the publication of this notice) the Company’s issued share capital with voting rights comprised 98,372,339 Ordinary Shares of NIS 0.01 each.

9. Members attending the meeting have the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting, but no such answer need be given if (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (ii) the answer has already been given on a website in the form of an answer to a question, or (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

10. Relevant materials will be available for inspection at the Company’s Registered Office during normal business hours from the date of this Notice for at least 15 minutes prior to the Meeting and during the Meeting.
